

# ATANDA SULTAN

Data Scientist | Biomedical Engineer

07086269451, 09153002645

sultanatanda123@gmail.com

[sultan atanda](#)

Kano, Nigeria

## SUMMARY

Data Scientist and Engineer skilled in machine learning, data analysis, and software development. Proficient in Python, Power BI, and SQL, with a proven track record of building predictive models and developing data pipelines. Experienced in utilizing data visualization tools to communicate insights effectively. Passionate about applying data-driven solutions to real-world challenges, particularly in biomedical engineering.

## EDUCATION

### Spring Secondary school, Kano

High school Education

2017- 2020

### First Technical University, Ibadan

B.Eng Biomedical Engineering

2021 - Date

### GoMyCode, Lagos

Ai and Data science

May 2024 - OCT 2024

## LANGUAGES

- English (**Fluent**)
- Hausa (**Fluent**)
- Yoruba (**Native**)
- Arabic (**Intermediate**)

## PROFESSIONAL EXPERIENCE

### ENGINEERING INTERN

#### Medcourt Support Service Ltd

- Research Support:** Assisted in literature reviews and compile relevant research findings to support ongoing projects.
- Device Testing and Evaluation:** Participated in the testing and evaluation of biomedical devices, ensuring they meet safety and performance standards.
- Quality Assurance:** Assisted in quality assurance processes by performing inspections and testing to validate product specifications.

### CO-FOUNDER

#### Gumel Computers

- Specialized in the import, refurbishing and sale of laptops, workstations and servers to both individuals and organizations.
- End User support and maintenance .

## SKILLS

- Tools:** Jupyter Notebook, Vscod, PyCharm, Git, Power BI, Microsoft Packages, TensorFlow, Kivy, Streamlit, MSSQL, Tableau, Arduino, AutoCAD, Adobe Photoshop
- Programming languages:** Python, MATLAB , SQL, DAX
- Soft Skills:** Management Skills, Advanced Mathematics skills, Digital Marketing, Risk management skills, Critical Thinking, Leadership and communication
